

## Acknowledgement

*This project was completed for the City of Goshen, Indiana. Partial funding for this inventory and plan was provided by the 2009 Make Your Trees Count Grant from the United States Department of Agriculture Forest Service through the Indiana Department of Natural Resource, Forestry Division, Community and Urban Forestry Program. City public funds supported the other half of the inventory and the majority of this Plan.*

City Forester, Aaron Sawatsky Kingsley, greatly appreciates the support and assistance provided by Parks and Recreation Superintendent, Sheri Howland, for vision and background support; City Engineer, Nancy Greer, for technical support and coaching; Parks and Recreation Intern, Joe Friesen, for the majority of data collection; and, Civil City Engineer, Mary Cripe, for professional support.

Invaluable insight about the current workings of the forestry program in Goshen, Indiana was provided to Davey Resource Group by City Forester Aaron Sawatsky Kingsley; Parks and Recreation Superintendent Sheri Howland; Mayor Allen Kauffman; Administrative Assistant to Mayor Jo Lung; City Council District 4 Julia Gautsche; Street Commissioner Denny Long; Planning Director Joseph Hauflaire; volunteer Ryan Smith; Shade Tree Board Members Ned Kauffman, Stan King, and George Smucker; and, interested citizens Joe Hanes and Adam Scharf.
